

HOW TO CREATE AN ONGOING RECRUITMENT PROCESS THAT GIVES YOU A POOL OF QUALIFIED CANDIDATES TO CONSTANTLY DRAW FROM.

Place a **continuous advert** via **Paymaster**

Paymaster's Artificial Intelligence system, automatically qualifies potential candidates

Each qualified candidate is sent up to **30 multiple choice questions**

Each qualified candidate submits a **30 minute video interview**

Unsuccessful candidates are sent a regret letter

- Each candidate follows the same process and questions. Defensible recruitment.
- There is an Online record of responses
- Each unsuccessful candidate receives a letter of regret
- The process is either managed by Paymaster or can be self-managed
- You have a continuous pool of candidates
- Once the process is set up it can be customised to your preferences
- Front-end Corporate branding is also available
